GLOSSARY

DURANGO® TOE TYPES

SQUARE TOE | ROUND TOE | R TOE | CUTTER TOE | BLUNT TOE | SNIP TOE | SNOOT TOE | WIDE SQUARE TOE

DURANGO® HEEL TYPES

ROCKER | STOCKMAN | WESTERN | FASHION | STRIDER

DURANGO® TECHNOLOGY

ASTM

PT Protective Toe

EH Electrical Hazard

The American Society for Testing and Materials has been testing products and services making them safer, better and more cost-effective. Standards developed at ASTM are the work of over 30,000 ASTM members. These technical experts represent producers, users, consumers, government and academia from over 100 countries. The proud tradition and forward vision that started in 1898 is still the hallmark of ASTM International.

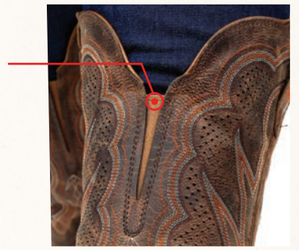
SPR™ LEATHER

SPR™ leather undergoes a special tanning process to make it 3 times stronger and 2 ½ times more abrasion-resistant than conventional leathers. SPR™ leather offers protection against and resists caustic alkali, sulfuric acid, calcium hydroxide, potassium phosphate and caustic potash, which means your boots will be “barnyard-proof”.

DURANGO® DUALLY SHANK™

The patented Dually Shank System™ is comprised of two fiberglass shanks that help with twice the torsion stability and midfoot support.

DURANGO® EASY FIT SYSTEM™



Durango® Easy Fit™ calf expansion allows for a wider and more comfortable fit.

DURANGO® X-PAND SYSTEM™

The Durango® X-Pand System™ is a hidden gore expansion for a universal fit and easy on/off.

WATERPROOF CONSTRUCTION

Durango® waterproof construction fuses a waterproof inner layer to the boot upper providing a barrier that keeps water out. The waterproofing lines the entire boot, ensuring complete protection.

SLIP & OIL RESISTANT OUTSOLE

Slip & Oil Resistant Rubber Outsole

An outsole design with materials that help provide slip and oil resistance and traction on various surfaces.

SLIP RESISTANT OUTSOLE

Slip Resistant Rubber Outsole

An outsole design with materials that help provide slip resistance and traction on various surfaces.

DURANGO® X-TREME A.C.™

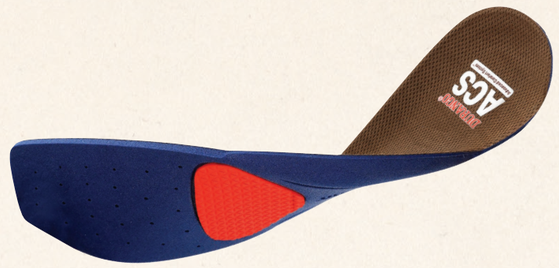
Durango® X-treme A.C.™ is an air mesh material with perforation to promote maximum air circulation to keep your feet cool all day long.

PREMIUM FOOTBEDS

DURANGO® ACS FOOTBED™

DURANGO® ACS Advanced Comfort System™

THE DURANGO® ADVANCED COMFORT SYSTEM FOOTBED™ helps to resist fatigue through a memory foam top layer and a heel and forefoot plug to provide ultimate shock absorption and support.



DURANGO® DSC FOOTBED™

DURANGO® DSC Durango Sole Comfort™

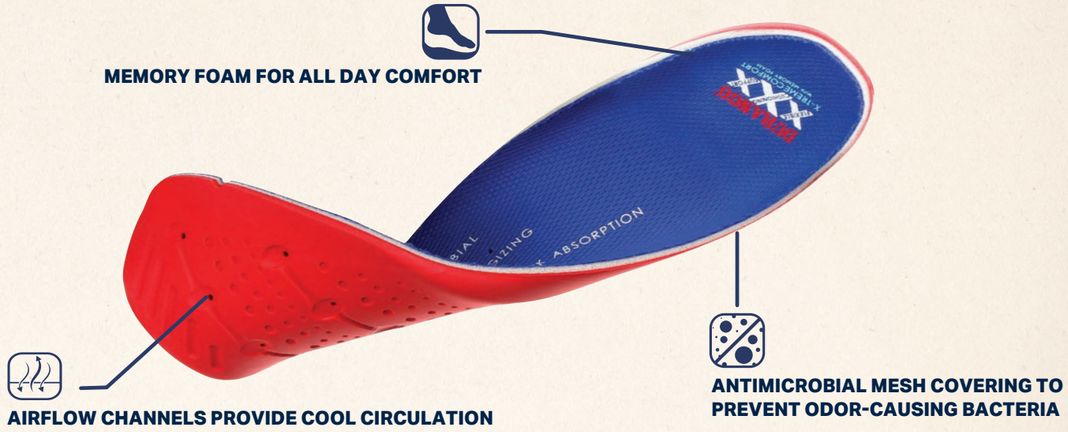
THE DURANGO® SOLE COMFORT FOOTBED™
is a removable microfiber covered footbed with a comfort cushion base.

DURANGO® XLC FOOTBED™

DURANGO® XLC X-TREME LEATHER COMFORT™

THE DURANGO® X-TREME LEATHER COMFORT FOOTBED™
is a durable leather covered removable footbed with a contoured and cushioning base.

DURANGO® X-TREME COMFORT FOOTBED™



MEMORY FOAM FOR ALL DAY COMFORT
AIRFLOW CHANNELS PROVIDE COOL CIRCULATION
ANTIMICROBIAL MESH COVERING TO PREVENT ODOR-CAUSING BACTERIA
DURANGO

DURANGO® X-TREME COMFORT™ WITH MEMORY FOAM

THE DURANGO® X-TREME COMFORT FOOTBED™
with memory foam has three times the flexibility, cushioning and support. This lightweight and durable silhouette provides extreme comfort by forming to the shape of your foot for immediate gratification.

DURANGO® Lady Rebel Pro™

UNBRIDLE YOUR WESTERN SPIRIT IN DURANGO® LADY REBEL PRO™.

Engineered with a superior 7-layer comfort system, this collection contains an innovative patented Dually Shank System™ for twice the stability and a cushioned memory foam footbed with three times the comfort for performance driven individuals.

FEATURES:

DURANGO® X-TREME COMFORT™ with MEMORY FOAM | Dually Shank™ PATENTED | DURANGO® X-Pand™ SYSTEM | Slip & Oil Resistant Rubber Outsole

7-LAYER COMFORT SYSTEM

1. **DURANGO® X-TREME COMFORT FOOTBED™**
   - Cushioned PU and memory foam for unparalleled comfort
2. **EVA CUSHION LAYER**
   - Contours and molds to your foot
3. **¾ GOODYEAR® WELT CONSTRUCTION**
4. **2-LAYER INNERSOLE**
   - 2-layer innersole with a flexible full length bottom and a stabilizing rigid ¾ heel tuck
5. **DUALLY SHANK SYSTEM™** PATENTED
   - Two fiberglass shanks for medial and lateral torsion stability and midfoot support
   - Little way shank stitch binds the outsole, heel tuck, and upper for absolute durability
6. **ABS HEEL BASE**
   - Nailed weight-relieved ABS heel base for lightweight durability
7. **STIRRUP FRIENDLY RUBBER OUTSOLE**
   - High abrasion rubber outsole with increased slip and oil resistance
   - Rocker heel lessens stress by promoting a more natural heel strike
   - Rolled shank area for stirrup-friendly ease

- Full-grain leather with leather underlay in shaft
- Leather underlay in pull straps
- Soft mesh lining
- Durango® X-Pand System™
- Durango® X-treme Comfort Footbed™
- Cushion flex insole with rigid rear foot stabilizer
